Inauguration Workshop - LEO Foundation Center for Cutaneous Drug Delivery 2017-06-15

The Department of Pharmacy, Faculty of Health and Medical Sciences, University of Copenhagen, cordially invites you to the inauguration of the LEO Foundation Center for Cutaneous Drug Delivery, as well as a following workshop of cutaneous delivery.

The event will take place Thursday June 15, 2017 from 9:00 in Auditorium 3, Universitetsparken 2, 2100 Copenhagen.

Program

9.00-9.25  Center inauguration
           Lars Olsen, Chairman LEO Foundation and Ulla Wewer, Dean,
           University of Copenhagen

9.25-9.50  LEO Foundation Center for Drug Delivery - plans and directions
           Martin Malmsten, University of Copenhagen

9.50-10.30  The pharmacokinetics of drug delivery to the skin
             Richard Guy, University of Bath

10.30-11.10  The role of lipids in the skin barrier: from model systems to clinical studies
              Joke Bouwstra, Leiden University

11.10-11.30  Coffee

11.30-12.00  New anti-infective concepts in the post-antibiotic era
              Artur Schmidtchen, University of Lund

12.00-12.30  Stratum corneum - a responding barrier membrane
              Emma Sparr, University of Lund
12.30-13.30  Lunch (not included)

13.30-14.00  *Does skin topography matter in topical drug delivery?*
Johan Engblom, Malmö University

14.00-14.30  *Mass spectrometry imaging by MALDI and DESI for studies of delivery and metabolism of drugs in skin*
Christian Janfelt, University of Copenhagen

14.30-14.50  *Introduction of center researcher: Novel drug delivery systems*
TT1*, University of Copenhagen

14.50-15.10  Coffee

15.10-15.30  *Introduction of center researcher: Novel analytical tools*
TT2*, University of Copenhagen

15.30-15.50  *Introduction of center researcher: Novel biological models*
TT3*, University of Copenhagen

15.50  *Concluding remarks*
Martin Malmsten, University of Copenhagen

16.00  Refreshments and mix

**Registration** is free of charge, and can be made by email to Maj-Britt Winther (maj-britt.winther@sund.ku.dk) before 7 June 2017.

Welcome!

Flemming Madsen  
Head of Department of Pharmacy

Martin Malmsten  
Professor, Center Director

*)TT=New tenure track assistant professor recruited to the center.

**About the LEO Foundation Center for Cutaneous Drug Delivery**
